01 Letter of Introduction

Dear Valued Customers and Partners,

Van Phong Technical and Trading Company Limited would like to extend our warmest greetings and sincere thanks for your interest in our company.

Established on 25 June 2019 in Hanoi, Van Phong follows the principle of "Engineering – Trading": combining engineering capability with the supply of materials, equipment and software to deliver complete solutions to our customers – from consulting and design to supply, installation and maintenance.

We are pleased to present this Company Profile and look forward to the opportunity to cooperate with you.

Sincerely,

GENERAL DIRECTOR
